25,500 sq ft
let to Roku

FUSION POINT ONE

Dumballs Road, Cardiff, CF10 5DA

IMMEDIATELY AVAILABLE

Floors available 6,012 sq ft to 37,870 sq ft

Within a three minute walk of Cardiff central
railway station and transport hub

Fusion Point One has undergone a multi-million-pound transformation, comprising up to 64,694 sq ft of energy efficient and sustainable high quality Grade A office accommodation over 4 floors. Which, following the letting to Roku (the international TV streaming provider), leaves 37,870 sq ft available in several different sized office suites.

The building features an impressive new double height entrance and a sustainable theme throughout, with best in class bike and shower facilities, unique external break-out areas and multiple electric vehicle charging points.

A FUSION OF DESTINATIONS

Fusion Point One is within a 3 minute walk of the Central railway station and transport hub

A FUSION OF NEIGHBOURS

The local area has received a substantial level of regeneration over recent years

Notable regeneration includes the development of Fusion Point Two, a 60,000 sq ft office development, and Cardiff & Vale college. This investment in the area has attracted several high profile names, including Deloitte and Lloyds Bank. This has lead to a growth in amenities on offer including Trade Street Cafe, Urba Spa, Cardiff & Vale Restaurant, The Classroom, Bae Coffi and Subway. With exciting new cafés and convenience retailing being constructed directly opposite Fusion Point One as part of Platform's residential development.

Cardiff Central Redevelopment

Following the Electrification of the main intercity rail line into Cardiff Central, Wales' busiest station, a substantial upgrade and modernisation has been announced to cope with the rise in passenger numbers, due to its thriving tourism and ever increasing number of daily commuters.

Annual passenger numbers are predicted to rise from 12.7 million in 2016 to 32 million by 2043.
